### **Stay Comfortable**

Asheville weather in October is usually in the upper 60's and low 70's during the day and in the low 50's at night.

Hydrate often! Coffee and Water refilling stations will be placed throughout the hotel during our meeting for your convenience.

Wear layers for comfort. It's still warm outside but you may want to bring clothes to layer for air-conditioned environments.

Comfy shoes will keep your feet happy to last through the day and evening fun.

### **Get There + Get Started**

Upon arrival at the hotel, you will enter at the front and turn to your immediate right to check in. Restrooms are to the left of the check-in desk in case you have been traveling and need a quick restroom break. There are water stations on the table to the right of the check-in desk, as well as a stack of large maps of Asheville that can be a great resource. Be sure to grab one.

**Parking:** You will have 2 options for parking. You can choose to self park for \$10 or choose to valet for \$27.

*\*If you choose to self park, it is recommended that you unload your items at the front of the hotel while checking in. The valet will be happy to keep an eye on your baggage while you park. The hotel will be close to full capacity so you may have to park a little further out.*

**Meeting Registration:** The AADB Registration Desk will be set up to the left of the hotel check in area. Registration is open every day for your convenience. Stop in to get your badge and welcome packet.
